

On 3 March, female staff representatives at the Zhen'an Plant gathered together to celebrate the 100th anniversary of International Women's Day in a warm and joyful spirit.

Mr. Lian Jie, General Manager [of the Zhen'an Plant], greeted the female staff with warm regards and best wishes on behalf of the company management. Mr. Lian was appreciative of the contribution and achievement the female staff have made towards the development of the company and thanked them with sincerity.

Female staff representatives also shared their thoughts with the management. They felt grateful that the management have been concerned about their life, work, study and family. They were confident that the company will have a brighter future and are strongly committed to supporting the company.
