

## The stage II training for administrative staff of West China Cement

The stage II training for West China Cement's administrative staff was held at the Crystal Island Hotel, Xi'an on the 23 and 24 April. The training incorporated the development of new management ideas, strategies and philosophy as well as future plans for collaboration amongst the Group and further research on corporate governance. All of the issues discussed will enable senior management to better understand the Group's integral strategy and train them to become better managers and leaders, which in turn will help the rest of the team to enhance efficiency and to achieve annual targets.

Mr. Zhang Jimin, CEO of West China Cement, Mr. Chen Jianxing, President of Taiwan Happiness Cement, Vice President of Vietnam Fushan Cement and President of Suzhou Youpi, Professor Feng , President of Institute of Economy and Finance at the Xi'an Jiaotong University, and Professor Fan Guangding, President of Shaanxi Economics and Trade Institute, were invited to give lectures..Mr. Tian Zhenjun, Vice President of West China Cement, presided over the training.
