

## **Popularization of Yangxian Plant's Labour Union Working**

### **Experience**

On 9 Nov., in the working experience exchange meeting of Hanzhong City, as a sample unit, labour union of Yangxian Plant introduced their successful working experience.

Mr. Zhang Changqing, Chairman of Yangxian Plant's labour union, made a detailed introduction on their collective wage consultation experience, which not only reflected the strict management system and profound corporate culture of West China Cement Limited, but also demonstrated a healthy public image of the Company.

Chairmen of labour union from all counties and districts in Hanzhong City attended the meeting.
