

Ankang Plant was awarded as Director Unit of “Provincial Bulk Cement and Ready-mixed Mortar Promotion and Development Association of Shaanxi”

Recently, Ankang plant of West China Cement Limited (“WCC”) was awarded as “Director Unit” of “Provincial Bulk Cement and Ready-mixed Mortar Promotion and Development Association of Shaanxi”, which indicates that WCC’s efforts in energy saving and environment protection were recognized by the society.

The honor will further encourage us to fully implement the national energy saving and emission reduction policies. Also we will continue to play an active role in promoting sustainable and healthy development of bulk cement, as well as creating favorable conditions for the promotion of ready-mixed mortar by emphasizing company’s all-round development and quality improvement, etc.
