

## The Signing Ceremony of Hetian Project of West China Cement Limited Achieved a Complete Success

Recently, the signing ceremony of Hetian Yaobai project construction contract with 4500t/d clinker production line of West China Cement Limited (“WCC”) was successfully held in Xi’an, which indicates that WCC has taken a significant step in going out of Shaanxi Province to the western China and the strategic cooperation with Hetian District, Xinjiang Province.

Mr. Wang Xincheng, Vice-chairman of CPPCC of Hetian District, Xinjiang, Mr. Li Jianjun, County Secretary of Yutian, Mr. Peng Jianxin, General Manager of SINOMA Tianjin, Mr. Zhang Jimin, Chairman of WCC and Mr. Wang Jianli, Chief Engineer of WCC, etc. attended the ceremony.

The ceremony not only witnessed the good relationship between SINOMA Tianjin and WCC, but also played a very important role in boosting economic development of Hetian District and promoting the restructuring of cement industry in Xinjiang Province.
