

## **Longqiao Plant Was Awarded “The Leading Emission Reduction Company in the Eleventh-Five Period”**

In the recent award presentation ceremony for energy conservation and emission reduction in Shangluo city of Shaanxi, Longqiao Plant of WCC was awarded “The Leading Emission Reduction Company in the Eleventh-Five Period” by Shaanxi provincial government. This is a second environmental reward to Longqiao Plant, preceded by the “2010 Advanced Unit on Environment Protection” from Danfeng Government.

In future, Longqiao Plant will further make significant contributions to local area and environmental-friendly project.
