

Ankang Plant and Lantian Plant Were Awarded “The Outstanding Companies in Safety Culture Construction”

Recently, Ankang Plant and Lantian Plant of WCC were both awarded “The Outstanding Companies In safety Culture Construction” by Shaanxi Administration of Work Safety.

Adhering to the scientific concept of “people oriented and safety in production”, both plants have successfully completed the safety management task of the government and achieved the safety production target of the company without any safety accident by strongly proposing advanced safety culture and promoting safety culture construction.
