

Training on Corporate Governance and Internal Control Auditing

The training on corporate governance and internal control auditing was held at the headquarter of West China Cement Limited (“WCC”) in Xi’an on 22 Oct. In the training, we were honored to invite experts from PricewaterhouseCoopers to conduct lectures for our managements and staff.

Experts from PricewaterhouseCoopers were giving lectures in the training

About 200 staff and managements attended, including Chairman of WCC, Mr. Zhang Jimin and Executive Directors Ms. Low Po Ling and Mr. Wang Jianli.
