

West China Cement Ltd. was Awarded as “Advanced Private Companies regarding Employment and Social Insurance”

The fourth national conference for honoring private companies that have made remarkable contributions toward increasing employment in China was held in Great Hall of the People in Beijing on 27 November. West China Cement Ltd. (“WCC”) was awarded as “Advanced Private Companies regarding Employment and Social Insurance” in the conference.

Vice Premier Zhang Dejiang attended the conference and praised the private sector for its contributions in promoting China's economy, increasing employment and fostering the creation of a harmonious labor environment.

One hundred private companies were awarded as "Advanced Companies regarding Employment and Social Insurance" and another 76 firms were praised for their prominent performance during the "Private Firms Recruitment Week of 2011."
