

WCC Won Incentive Funds as Shaanxi Famous Brand

Recently, our Group has received incentive funds of RMB190,000 from Xi'an Government and Management Committee of Xi'an High-Tech Development Zone as the award for the cement products of West China Cement Limited ("WCC") being named as Shaanxi Famous Brand.

The above award represents the confidence and encouragement from the government to WCC. In the meantime, WCC will continue to put stress on quality consciousness and total quality management to enhance our core competitiveness and then make further contributions to the development of Shaanxi Province.
