

Vice-governor of Shaanxi Province, Mr. Li Jinzhu visited Xunyang Plant of WCC

Accompanied by Director of Provincial SME Bureau, Mr. Ding Yi'an and other city and county officials, Vice-governor of Shaanxi Province, Mr. Li Jinzhu visited Xunyang Plant of WCC on November 14, 2013. Ankang District Manager of WCC, Mr. Cao Jianshun warmly welcomed the group and accompanied the visit.

In the Central Control Room

During the visit, Mr. Cao gave a detailed introduction on several aspects of the production line, i.e. production process, resources utilization and environment protection, to Vice-governor Li and the group.

Vice-governor Li highly affirmed WCC's production technology and contributions to environment protection after the plant visit. He also encouraged Xunyang Plant to keep innovative and improve competitiveness to contribute more to the economic development of Southern Shaanxi.
