

## WCC Mobilization Meeting of 2017

In the beginning of 2017, mobilization meeting was held in WCC headquarter on Feb 05. Zhang Jimin, Chairman of WCC, and Ma Weiping, CEO of WCC, presented at the meeting.

Mr. Ma gave a mobilization report confirming the work targets in the coming year under the current macroeconomic environment and operation management of WCC. Meanwhile, he also arranged the specific tasks from ten aspects.

Finally, Mr. Zhang gave an important speech by analyzing the market and instructed that WCC should be in steady development under current macroeconomic and industry environment. Moreover, he required all staff to keep three key words in mind: implementation, management and team construction to ensure all targets can be completed smoothly.

New Year, new hope, WCC will make better future with best effort of all staff.
