

WCC Awarded Chinese Cement Clinker Production Capacity Top 20

On 30th March 2018, China Cement Net organized “China Cement Net 2018 annual conference and TOP100 awards ceremony” in Hangzhou, Zhejiang Province. WCC was invited to participate in the meeting and awarded Chinese Cement Clinker Production Capacity Top 20 of Orient Landscape Cup. WCC won Top 12th with the capacity of 18.78 Million tons in 2017.

The honorable title is not only recognition of its achievements but also encouragement of WCC in the industry. In 2018, the Group will keep pace with the market development to promote Group’s vigorous development and contributing to social development through structural adjustment, transformation & upgrading.
