

CEO of Global Cement and Concrete Association visit WCC

Mr. Benjamin Sporton, CEO of Global Cement and Concrete Association (GCCA) visited WCC on Feb, 21, he was warmly welcomed by Chairman Zhang Jimin and CEO Ma Weiping from WCC.

Chairman Zhang Jimin and CEO Ma Weiping accompany Mr. Benjamin Sporton visit WCC's exhibition hall, production control center and research center. Mr. Benjamin Sporton made introduction of GCCA and their work progress in 2018, he said WCC is an innovative enterprise with precious experience and high value-added products, it is worth promoting to whole member company and will bring unique value for GCCA. He also sincerely invites Chairman Zhang Jimin to attend the second annual meeting of GCCA which will be held in Singapore in Oct 2019.

Chairman Zhang Jimin accepted the invitation and said that WCC is plan to promote special cement to the world top level within 3 to 5 years, he also thank GCCA for providing WCC opportunity for dialoguing, learning and communicating with world top enterprises, and he hopes WCC and GCCA can build a long-term communication and cooperation to push sustainable development of global cement industry together.
