

## WCC Won Two Honors of Xi'an Foreign Investment Enterprise

Recently, WCC won the honors of the top five in sales revenue of the Excellent Foreign Investment Enterprise and the Xi'an Excellent Enterprise for fulfilling Social Responsibility in 2019.

WCC insisted on taking cement production as its principal business and continuing to extend its business to the upstream and downstream industrial chain. WCC developed many new businesses, such as commercial concrete, logistics, mines, new construction materials, financial services, intelligent manufacturing and maintenance. Remarkable results were achieved through the strategy of structural adjustments, transformation and upgrades. As a foreign-invested enterprise under developing and growing, WCC actively undertook the social responsibility through the establishment of Shaanxi Yaobai Student Aid Public welfare Foundation. WCC committed to sponsor deprived students for college education and public aid activities for the poverty. The social responsibility report of WCC released in Hong Kong was well received by investors and the community.

Xi'an Foreign Investment Association carried out this activity for 15 years, which was highly valued by the government and the China Foreign Investment Association. After a hundred days of propaganda, declaration, screening and publicity, WCC was awarded two honors finally.
