

West China Cement Limited (“WCC”) was awarded several honors of Outstanding Foreign-Invested Enterprise

On the morning of 7 July, Xi'an's 2020 Outstanding Foreign-Invested Enterprise Award Ceremony was grandly held. With its outstanding business performance and brand influence, WCC was awarded the top ten outstanding foreign-invested enterprises with outstanding contributions and two outstanding enterprises in fulfilling social responsibilities. Ms. Wang Rui, Vice President of WCC, was invited to attend the conference and won the title of Outstanding Entrepreneur. This award is the highest honor commended by groups and individuals of foreign-invested enterprises in Xi'an.

This honor is the government and society's full recognition of WCC's comprehensive strength. In the future, WCC will continue to uphold the entrepreneurial spirit of pioneering innovation and surpassing itself, and strive to achieve higher quality, higher efficiency and more sustainable development, and strive to help the construction of Xi'an as a national central city and the core area of the Belt and Road Initiative in Shaanxi has made new and greater contributions.
