

Dr. Ma Weiping, CEO of West China Cement Limited (“WCC”), was invited to attend the China Cement Top 50 High-level Forum

Dr. Ma Weiping, CEO of WCC, was invited to attend the 2021 China Cement Top 50 High-level Forum held in Nanchang, Jiangxi, on October 10. The conference awarded two honors to WCC - the top 50 China cement company and the Outstanding Contribution Award for Industry Structure Adjustment.

In recent years, WCC has always adhered to the strategy of serving the country, deepening its main business while continuously deepening the extension of the industrial chain, and speeding up the creation of a century-old enterprise with world-class competitiveness. In the future, WCC will continue to consolidate the achievements of innovation and development, promote the healthy and steady growth of the enterprise, and strive to create more economic, social and environmental values.
